Re: Federal Firearms License 4-38-055-08-9C-00533

Mr. Bilinski:

As you are aware, Investigators from the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) conducted an inspection of your firearms business at your licensed premises beginning on December 10, 2015 which continued through July 14, 2016 and which revealed multiple willful violations of the Gun Control Act of 1968, Title 18, United States Code, Chapter 44 and the implementing regulations, Title 27, Code of Federal Regulations. Part 478.

Accordingly, attached is a Notice to Revoke License, ATF Form 4500, citing these violations as a basis for the revocation of your Federal firearms license. Under Part 478, ATF must receive any hearing request in writing within 15 days from your receipt of the Notice.

In addition to requesting a hearing, prior to ATF assigning a hearing officer to this case and scheduling a hearing, you may request a meeting with the Director, Industry Operations, to address the violations cited in the Notice. The purpose of the meeting will be to try to resolve this matter without conducting a hearing. At this meeting you will be permitted to submit mitigating facts and arguments for review and consideration. You will also be able to make offers for resolution of the proposed revocation action which could include setting forth a mutually agreed upon revocation date.

Fieldsport Ltd., LLC

If you would like to request a meeting, please contact me at (313) 202-3400 within 15 days of the receipt of this letter. Even if a meeting is requested, a written request for hearing, if desired, is still due within 15 days of receipt of the Notice. Offers of settlement or resolution will not be entertained at a hearing.

Sincerely,

B. Scott Mendoza

FFL# 4-38-055-08-9C-00533

Under the provisions of 18 U.S.C. § 923(e) and 27 C.F.R. § 478.73, notice is hereby given of the revocation of the Federal firearms license specified above, in that the Director, Industry Operations, United States Department of Justice, Bureau of Alcohol, Tobacco, Firearms and Explosives ("ATF"), Detroit Field Division, has reason to believe that Fieldsport, Ltd, LLC, 1428 Trace Center Drive, Traverse City, Michigan ("Licensee"), an Importer of Firearms Other Than Destructive Devices or Ammunition, willfully violated the provisions of the Gun Control Act of 1968, as amended, 18 U.S.C. Chapter 44, and the regulations issued thereunder, 27 C.F.R. Part 478.

Compliance History

ATF issued a Federal firearms license to the Licensee in 2001. Subsequent to issuance of the license, ATF conducted a compliance inspection of the Licensee in 2009, which resulted in the issuance of a Report of Violations. ATF also held a Warning Conference on September 21, 2009, attended by the owner, Bryan Bilinsky, at which time the violations were discussed, as well as corrective actions. A follow up letter sent on September 24, 2009, advised the Licensee that future violations, repeat or otherwise, could be viewed as willful and may result in the revocation of the license.

In 2010, ATF conducted another compliance inspection which resulted in the issuance of another Report of Violations, as well as a Warning Letter. The letter advised the Licensee that future violations, repeat or otherwise, could be viewed as willful and may result in the revocation of the license. In 2011, ATF conducted a third compliance inspection. At the conclusion of the inspection, a Report of Violations was issued.

In 2014, ATF conducted a fourth compliance inspection at the licensed premises. As a result of this inspection, ATF issued a Report of Violations as well as a Warning Letter dated October 22, 2014, advising the Licensee that future violations, repeat or otherwise, could be viewed as willful and may result in the revocation of the license.

EXPLANATION OF THE HEARING PROCESS

Hearings

The Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) has made a determination to deny your original or renewal application for a Federal firearms license, to revoke or suspend your existing Federal firearms license, and/or to impose a civil fine against you.

As indicated on the enclosed form, you may request a hearing on this matter. This brochure provides general guidance and an overview of the hearing process for industry members that may assist you in making a decision to request a hearing, and to appropriately prepare for a hearing should you request one.

Background

The Gun Control Act of 1968 (GCA) and its implementing regulations specify certain licensing requirements for those intending to engage in a firearms business.

ATF is authorized to deny a license when the applicant is not qualified to receive or continue to hold the license. ATF may also revoke a license when it is determined that a current licensee is no longer eligible to continue licensed operations. Additionally, ATF may suspend a license or impose a civil fine for certain limited violations of the GCA.

Your Rights

ATF has made one of the above determinations in your case, issuing you either a Notice to Deny Application for License, a Notice to Revoke or Suspend License, and/or Impose a Civil Fine. You have the right to request a hearing to review the proposed licensing action found in the notice you received. This is done by submitting written notification to the Director, Industry Operations (DIO) who issued your Notice. Timeliness is important. ***You only have 15 days from your receipt of the Notice to request a hearing.***

You may hire an attorney, although it is not required. It may be in your interest to do so. That is your option.

You may also submit offers of settlement or potential resolutions of the matter with the DIO prior to a hearing or after a hearing is held. However, offers of settlement will not be entertained at the hearing. In addition to requesting a hearing, you may also request a potential meeting with the DIO, prior to the assignment of a hearing officer, to discuss offers of settlement or potential resolutions of the matter. *NOTE: ATF is not obligated to grant meeting requests.*

Hearing Overview

If you submit a letter requesting a hearing to the DIO in time, ATF will begin to make

arrangements for the hearing. The date and time of the hearing will be set by ATF, but you will be consulted as to your availability. ATF will also notify you of the location of the hearing, taking into consideration convenience to you and the availability of government office space that is close to you to conduct the hearing. Once the date, time, and place are set, you will be notified in writing (via certified mail, return receipt requested).

NOTE: Under no circumstances will you, your representative, or witnesses be permitted to bring firearms or any other weapons to the hearing. The hearing will not begin, or will cease, if it is determined this policy has been violated.

The hearing is generally scheduled not later than 90 days from the date of the letter notifying you of the date, time, and location of the hearing. There are, however, limited circumstances that may require the hearing to be rescheduled for good cause, as determined by the DIO.

The hearing itself is informal in nature, and adherence to civil court rules and procedures is not required. There is no sworn testimony and formal courtroom procedures are not required. ATF will make an audio recording of the hearing. The resulting recording, along with exhibits presented at the hearing, constitute the official record of the hearing.

ATF does not make a video recording of the hearing proceedings and you will not be allowed to do so either. You may make an audio recording of the proceedings, or have the proceedings recorded by a stenographer at your own expense, provided this recording is not disruptive to the proceedings. However, the ATF recording of the hearing is the official record of the proceeding.

Hearing Officer

The hearing officer is designated by ATF. The selection of the hearing officer is dependent upon a number of factors, including the nature of your case. A hearing officer will be selected who has no prior knowledge of your case and has had no interactions with you or your licensed operations. In most cases, the assigned hearing officer will come from outside the ATF field division in which your licensed business is located.

Conduct of the Hearing

The hearing officer will ensure the proceedings are conducted in an orderly and professional manner. The purpose of the hearing is to allow both parties to fully present all relevant evidence and arguments regarding the denial or revocation of a license or permit. Most hearings require less than a single day to complete.

The government will be represented by an attorney and will present its evidence first. The government will generally call as a witness the ATF industry operations investigator(s) who conducted your application or compliance inspection, or other ATF employees who have relevant information concerning your case.

At the conclusion of the government's presentation, you will have the opportunity to respond. Make sure you state your case as clearly and factually as possible. The case you present will receive the same

consideration by the hearing officer as the government's case. Be willing and prepared to address each violation described in the Notice you received. You may call witnesses. Your witnesses should be able to speak to the violations addressed in the Notice and may be, for example, the store manager, an employee, bookkeeper, or clerk. You may also present relevant evidence. Relevant evidence is evidence which tends to prove or disprove an issue at the hearing, such as whether the alleged violation occurred as stated in the Government's Notice.

Both parties have the right to question all witnesses. The party calling a witness shall have the right to re-direct examination of the witness. You should need no legal training to state your case. The most important consideration is that both parties –you and the government – are given a chance to fully explain the findings and violations disclosed during the application inspection or compliance inspection.

When the hearing officer is satisfied all evidence and arguments have been fully presented by the parties, the hearing officer will advise you that the DIO will make a decision in the matter and will notify you of the final decision in writing.

Following completion of the hearing, the hearing officer prepares a factual report summarizing the proceedings. This report will be forwarded to the DIO, who makes the denial or revocation decision for ATF.

A license may be denied based on your failure to satisfy licensing requirements. Generally speaking, ATF may only revoke a Federal firearms license for willful violations of the GCA and its implementing regulations. "Willfulness," as defined by the courts, means the purposeful disregard of, or plain indifference to a licensee's known legal obligation. ATF is <u>not</u> required to prove you *intended* to violate the law, only that you knew your legal obligation as a licensee, and you purposefully disregarded or were plainly indifferent to this obligation.

In limited circumstances, ATF may revoke or suspend a license and/or impose a civil fine for certain specified knowing violations of the GCA.

If, after review of the entire record, the DIO concludes that you failed to satisfy licensing requirements, that willful violations occurred, or that you knowingly committed certain specified violations, the DIO may issue a Final Notice of Denial of Application, Revocations, Suspension and/or Fine of Firearms Licensee, which will be sent to you via certified mail.

If you are not satisfied with the final decision of the DIO, you may appeal the decision to Federal district court within 60 days. The hearing proceedings may become part of the review.

If you have any questions concerning the hearing, please contact the DIO for the ATF division in which you are located.

I. Findings

Fieldsport, Ltd., LLC (Licensee) holds a Federal Firearms License (FFL) as an importer of firearms other than destructive devices. As a result of an inspection initiated in December 2015, the Director, Industry Operations of the Detroit Field Division issued an Amended Notice to Revoke or Suspend License and/or Impose a Civil Fine (ATF Form 4500) to the Licensee. This Amended Notice is dated May 30, 2017, and was delivered on June 5, 2017. By agreement between the parties, the Licensee will not request a hearing and, therefore, one will not be conducted under the statutory provisions of Title 18, United States Code, Section 923(f)(2).

The basis for fine and suspension was alleged to be knowing violation of 18 U.S.C. §§922(t)(5) and the implementing regulations. The information set forth in the Notice with regard to violation #4 is found to be true and accurate.

II. Conclusion

Based on the record before me, it is my decision that Fieldsport, Ltd., LLC's license as an importer of firearms other than destructive devices will be suspended for 21 days and fined $5,000. The suspension will be served July 10-21, 2017 and November 6-16, 2017, and will include any and all licensed firearms activities. The suspension is subject to the terms and conditions set forth in the June 15, 2017 addendum to the Amended Notice. The fine will be payable on or before November 16, 2017. This action and finding are not appealable to the United States District Court.
