Dear Mr. White:

During a recent compliance inspection at your firearms business covering the period of November 23, 2015, until November 22, 2016, you were cited for violations of 27 Code of Federal Regulations, Part 478. A copy of the Report of Violations, Form 5030.5, issued at the time of the inspection is enclosed.

All violations were fully explained to you by the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) investigator. You indicated that you understood the requirements of the firearms laws and regulations. You further indicated that corrective actions would be taken to eliminate future violations.

The records you are required to maintain and the business operations you conduct are important to law enforcement in our continuing effort to reduce violent crime and protect the public. It is essential that you comply with all Federal laws and regulations that govern your firearms business. This is critical to carrying out our mission to protect the public and ensure that criminals do not gain access to firearms. ATF appreciates the efforts you and other industry members make in this area, and we look forward to continuing to work with you in that regard.
