RE: 543153027K09328

Dear Mr. Bryant:

During a recent inspection at your firearms business covering the period January 1, 2015 to January 8, 2016 you were cited for violations of Title 27, Code of Federal Regulations, Part 478. A copy of the Report of Violations, ATF F 5030.5, issued at the time of the inspection is enclosed.

All violations were fully explained to you or your designated responsible person by the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) Industry Operations Investigator(s). You or your responsible person indicated that you understood the requirements of the firearms laws and regulations and that corrective actions would be taken to eliminate future violations.

The records you are required to maintain and the business operations you conduct are important to law enforcement in our continuing efforts to reduce violent crime and protect the public. It is essential that you comply with all Federal laws and regulations that govern your firearms business. This is critical to carrying out our mission to protect the public and to ensure that criminals do not gain access to firearms. ATF appreciates the efforts you and other industry members make in this area. We look forward to continuing to work with you in that regard.

You are reminded that retention of your Federal firearms license is conditioned upon your compliance with Federal laws and regulations. Any future violations, either repeat or otherwise, could be viewed as willful and may result in the revocation of your license. Please ensure that future compliance is achieved.

BRYANT, STEVE MARK
