Submitted by (b)(6) - Industry Operations Investigator

Submitted on: 02/07/2017

An unannounced onsite Recall DE Manufacturer of Firearms Inspection of Harrold, Vickie Marie, dba: Quarter Minute Magnums/QMM, was conducted at the licensed business premises in Lewiston, Idaho. This inspection was conducted concurrently with an inspection of one (1) other FFL located at the same business premises address: Harrold, Vickie Marie, dba: Quarter Minute Magnums; 9-82-069-01-8D-01367 (Dealer in Firearms); UI# 787065-2017-0175-B1B.

The licensee has no approved variances on file. The licensee/manufacturer failed to completely identify firearms manufactured by applying the city and State where the manufacturer maintains their place of business (Lewiston, ID) on six (6) firearms.

Report of Violations (ROV) issued. Under current administrative guidelines, a Warning Conference (WC) would be merited for the failure of the licensee to properly mark manufactured firearms. SIOI (b)(6) offers an alternate recommendation of a Warning Letter (WL) and Recall Inspection as both SIOI (b)(6) and ATF Area Supervisor (AS) (b)(6) thoroughly discussed firearm marking requirements and ATF Ruling 2013-3 (Adopting Identification of Firearms) with Mr. and Mrs. Edwards. They declared that they now completely understand the requirements and will mark all firearms with "QMM; Lewiston, ID" to comply.
